

# Resetting Myself for a fresh START

Mistakes  
help me  
learn.

I can try  
a new  
strategy

**RESET**

haven't  
figured this  
out...  
yet!

My brain  
grows when  
I struggle.

Learning  
takes  
time

One  
problem  
doesn't  
define me

Practice  
makes  
progress.

I am  
in charge  
of my learning
